

MISSION: SEA TO SPACE

Code Breaker

Morse code is a method of communication which encodes text as characters using sequences of dots and dashes. The dot duration is the basic unit of time measurement, with the duration of a dash three times that of a dot. Letters are separated by spaces and words by "/"

The Rules:

Take a look at the International Morse Code alphabet below and use this as a way to decipher the 8 coded messages, all themed around Tough Mudder.

Screenshot your answers and upload once completed. Answers will be released on the Challenges Facebook page on 30th November.
